

Cougar Cross Country Uniform Order and Photo Permission 2015-2016

Student-Athletes who participate in the Cougar Cross Country program have the option to either purchase or borrow a racing singlet, racing short, and two T-shirts. The racing singlet and racing short are loaned to the athlete for the season. These items are to be returned by November 29, 2015 in washed, good condition. If an athlete's loaned uniform is not turned in by the due date, the athlete will be placed on the "NO GO" (ASB debt) list. In addition to the "NO GO" list, after school detention and Saturday school may be assigned. The T-shirts are for the athletes to keep. If you would like to purchase a singlet and racing short to keep, you may purchase these items under "Optional Items" on the uniform order form.

During the season, photos are taken and can be uploaded to the Cougar Cross Country Website via Photobucket. Specific instructions are on the website at www.cougarsxc.com. By signing below, you have given your permission for CVHS Cougar Cross Country Booster Club to publish your athlete's picture, name, action photos, profile, and individual statistics on the Cross Country website.
