Capistrano Valley High School Cross Country *FALL* Team 2017

Your son/daughter has the privilege to be a part of Capistrano Valley High School's Cougar Cross Country Fall training program. As a participant in this program, your athlete will have benefits as well as responsibilities. CUSD provides financial assistance to run the program; however, Capistrano Valley Cross Country Boosters is the primary source of its financial support. Your involvement and voluntary financial contribution is crucial to its success. You are encouraged to support a one-time sports program voluntary donation of **$175**(1 child); **$325** (2 children); **$450** (3 children). All voluntary donations will help fund the following for our athletes: help pay for assistant coaches, awards, events, t-shirts, equipment and photo books.

Please fill free to send in your donations with your child to practice. We will also be collecting donations on July 26, 2017 on our CVXC Uniform order day/Booster meeting. You can also mail your donations to our treasurer Robyn Self at the address below

_____ Enclosed is my voluntary team donation in full
_____ I would like to make arrangements for other/longer installments for my voluntary team donations

_____ Our family cannot contribute a voluntary donation at this time but we can:

We understand that our active involvement and voluntary team donation is crucial to the success of this program. We also understand that the requested voluntary donation/contribution is based upon the proposed booster club budget, which includes the services and benefits that we as a booster organization would like to provide for our athletes. The budget is available to view upon request.
